

**Missouri Balance of State Continuum of Care
VAWA Emergency Transfer Plan for Victims of Domestic Violence,
Dating Violence, Sexual Assault, or Stalking**

Emergency Transfers

The Missouri Balance of State Continuum of Care (MO BoS CoC) is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA), MO BoS CoC allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation. The ability of MO BoS CoC's funded agencies to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether MO BoS CoC's funded agencies have another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the Federal agency that oversees what is needed for compliance with VAWA.

Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L is eligible for an emergency transfer, if the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

Emergency Transfer Request Documentation

To request an emergency transfer, the tenant shall notify the landlord and the MO BoS CoC Funded Agency and submit the Mo BoS CoC VAWA Emergency Transfer Form. The landlord and funded agency will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:

1. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under MO BoS CoC's program; OR
2. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

A VAWA Emergency Transfer Form will be accepted in written or electronic form.

Confidentiality

MO BoS CoC, its funded agencies, and the landlord will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives MO BoS CoC, its funded agencies, and landlord written permission to release the information on a time limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person(s) that committed an act(s) of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence Against Women Act for All Tenants for more information about MO BoS CoC's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

Emergency Transfer Timing and Availability

MO BoS CoC cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request form. MO BoS CoC funded agencies and their landlords will, however, act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. MO BoS CoC funded agencies may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.

Any agency of the MO BoS CoC Coordinated Entry process that receives a MO BoS CoC VAWA Emergency Transfer Form shall notify their CE Regional Lead. Agencies that have open units or the ability to rehouse the tenant should do so as soon as possible.

In addition, if MO BoS CoC funded agency has no safe and available units for which a tenant who needs an emergency transfer is eligible, MO BoS CoC funded agency will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, MO BoS CoC funded agencies will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

Emergency Transfer Process Assistance

Any MO BoS CoC funded agency needing assistance with VAWA Emergency Transfer Requests, process and placement, safety planning concerns, or confidentiality concerns, should contact the Collaborative Applicant or the Victim Services Subcommittee Chair or Co-Chair immediately.
